Place, date

Notes and explanations

- ¹ Please enter your personal data.
 - ² Please enter the individuals in your former residence prior to your emigration to Austria. Please read the statements carefully and put a cross in the relevant boxes.
 - ³ Any persons who are not part of your family (i.e. who are not related to you) must make their own application.
 - ⁴ Please do not mark with a cross, if you or any of your household have or have had one or more residences inside or outside the European Union, e.g. long-term holiday homes are to be included. If residence was for less than 12 months, exemption is still possible if certain unforeseen circumstances have occurred (e.g. return after the end of the probation period, premature end of the project, medical care need for a family member). Please provide the corresponding documents.
 - ⁵ The return trip after attending a university or school in a third country cannot receive favorable consideration or cannot be encouraged; the same applies to immigrating to Austria for this purpose.
 - ⁶ You may retain your residence as a secondary residence. In this instance, please include on separate sheet what part this residence plays in your personal or professional life (e.g. holiday home, flat rented over an extensive period of time).
 - ⁷ Please do not use this form, if you do want to reside in a member state of the European Union, other than Austria.
 - ⁸ Please mark with a cross, if you have already used a residence in Austria as a secondary residence before your emigration. In this instance, please include on separate sheet what part this residence played in your personal or professional life.
 - ⁹ Please mark all applicable cases with a cross (i.e. both cases, where necessary).
 - ¹⁰ The day of the exchange of residence is the day on which you and any members of your household move into your new residence. If the members of your household move into their new residence later, please also give this date and include, on a separate sheet, the reasons for the different dates.
 - ¹¹ Please enter the address you wish to use.
 - ¹² You may use this space to enter the address of your shipping company, to which the grounds for the decision can be sent directly, to allow you to be able to make your customs declaration for your personal goods earlier. You will not receive any other copies of the decision.
 - ¹³ If you want to receive the decision by electronic means (i.e. by e-mail), please enter your chosen e-mail address. You can print out the decision (in PDF format) and attach it to the customs declaration. You can also forward it to your shipping company, which can attach it to the customs declaration.
 - ¹⁴ If you wish to receive the decision by fax, please enter your selected fax number. You can then attach the decision to your customs declaration (provided that it is legible). You can also hand it to your shipping company or nominate them as recipients of the fax and they can append it to the customs declaration. For reasons of legibility, please do not forward by fax.
 - ¹⁵ Please also complete the remaining fields in this box, if you have selected to receive the decision by e-mail or fax.
 - ¹⁶ Personal goods include all goods for personal use by you or your household, especially household goods, bicycles, motorbikes, private vehicles and any trailers, camping trailers, watersports vehicles and sports aircraft. Household supplies in quantities that are usual for a family, as well as pets, mounts and any necessary tools that are portable by you or the members of your household residing with you for commercial or self-employed professional use. Other commercially used objects, tobacco and alcoholic goods are, however, excluded from this exemption.
 - ¹⁷ Mounts, which are used for the transportation of people (e.g. horses, camels, mules, reindeer).
 - ¹⁸ Please include a list, which contains all the household items, supplies and animals used by you, with a brief description of the individual goods and animals and their quantities or amounts.
 - ¹⁹ Please enter any official or regulatory tags or license plate numbers still attached to the vehicle into this field.
 - ²⁰ If you are the owner (or even the reserved owner if finance is involved) you do not need to put a cross in the box.
 - ²¹ Other methods of transportation, such as mobile homes, watersports vehicles or sports aircraft.
 - ²² Please give your service address.
- Please state what kind of proof you are attaching:
- ²³ E.g. service card
 - ²⁴ E.g. fees invoice
 - ²⁵ E.g. rental interest invoice
 - ²⁶ E.g. proof of sale, completed rental contract, confirmation of housing company
 - ²⁷ E.g. monthly account
 - ²⁸ E.g. lease contract
 - ²⁹ E.g. Confirmation of liability insurance
